In support of the University of Northern Iowa and the Division of Student Affairs, the Student Health Center houses the Counseling Center, Student Wellness Services and the Student Health Clinic. Together we strive to meet the changing needs of today’s student. The Student Health Center staff understands that a student’s mental, physical and emotional well-being is essential to overall health. Positive healthy behaviors allow students to realize their full potential, cope with life stressors, and make meaningful connections to our campus community.

We look forward to serving you through a "whole person" approach with our integrated services. Your physical and mental health are the primary reasons we are here. We have a staff of hardworking, committed and supportive people who constantly seek new solutions, and have an uncompromising commitment to serve our campus community. We look forward to the coming years and to meeting the needs of our students.

Shelley O’Connell, MAE
Executive Director,
Health and Recreation Services

The University of Northern Iowa Counseling Center subscribes to the set of professional responsibilities outlined by the University and Counseling Center’s Board of Accreditation of the International Association of Counseling Services (IACS). The responsibilities are as follows:

1. To provide the highest quality of individual and group counseling services to students who may be experiencing ongoing or situational psychological, social, or behavioral difficulties.

2. To provide programs that focus on the developmental needs of college students in order to help them benefit from the academic environment and experience.

3. To provide consultative services to the college community (i.e., students, faculty, and staff) in order to make the environment beneficial to the students’ intellectual, emotional, and physical development.

4. To engage in research and evaluation activities in order to determine the efficacy of the services being offered.

5. To integrate the training of new professionals within the profession and evaluation of counseling services.
COUNSELOR ON CALL

The Counseling Center offers the “Counselor on Call” program to offer walk-in, same-day consultation appointments during business hours. Clients are now able to walk in, without an appointment, to discuss a concern or consult a counselor and develop next steps to address the issue at hand.

Facilitated Be You Be Well Be Connected to all incoming first year and transfer students.

Administered the Spring 2019 UNI National College Health Assessment.
**STUDENT HEALTH CLINIC**

**WHO WE ARE**
Our staff is comprised of caring, supportive professionals who are licensed and certified in primary healthcare. We are here to aid in student health and success.

**WHAT WE DO**
We function as a general medical clinic and provide evaluation and treatment for a wide variety of health concerns.

**OUR MISSION**
To promote and support student success by providing individualized holistic healthcare and health education.

**VALUES**
Service to others / safe and secure environment / compassionate care / accessible service / teamwork

**STRATEGIC GOALS**
1. Engage students with individualized healthcare through the delivery of high-quality services to maximize their health and well-being.
2. Develop a 3-5-year financial strategic plan that carefully and transparently projects a variety of funding scenarios and priorities.
3. Enhance departmental visibility with students, staff and faculty through the effective and consistent use of technology and marketing strategies.

**11,013 APPOINTMENTS PROVIDED IN 2018-2019 ACADEMIC YEAR**
The registered nurses provide support and resources to our students. They provide services both over the phone and through in-person visits. The nurses provide travel consultations, immunizations, and allergy shots.

“I had two visits to the Student Health Center within one week and they were both PLEASANT experiences. It was a POSITIVE experience thanks to the PROFESSIONALISM.”

The University of Northern Iowa Laboratory

Located on the first floor of the Student Health Center.

Staffed by licensed Medical Technologist and Medical Laboratory Assistants.

Conduct testing during clinic hours.

They do such an EXCELLENT job there and I am very GRATEFUL that the Student Health Clinic is there for students.
Assessed the mental health and safety of students using the ASQ tool (Ask Suicide-Screening Questions)

New alcohol and other drug screening tools (AUDIT-C) and (DAST) were implemented to assess for substance abuse and safety of students.

ECW Patient Portal allows students to make appointments online and access their visit summaries and health information. Over 40% of medical appointments are now being made through the patient portal.

How to Help Students in Distress presentations were facilitated to various departments involving over 800 faculty and staff to aid in the success of students, campus vitality and referrals on campus and in the community.

INCREASED PREVENTATIVE EXAMS BY 44%

INCREASED LABS BY 37%

3-YEAR accreditation from AAAHC
ACCREDITATION ASSOCIATION FOR AMBULATORY HEALTH CARE

ACCOMPLISHMENTS AND CONTRIBUTIONS
The Student Health Clinic is an AAAHC accredited facility. We go through a voluntary site survey to measure the quality of our services and performance against nationally recognized standards of the Accreditation Association for Ambulatory Health Care (AAAHC).

The Student Health Clinic has also achieved COLA accreditation through a biennial survey since 1993. Our patients can be assured that we meet federal and state regulatory requirements.
